

## Friday Night Lights

1. From the massive student section, the bleachers rumble with the roar of the student body; they are all clothed in tie-dye.

2. From the bright green turf with its blazing white lines, dashes, and marks, the football players hunt for holes in the defense of the opposing team.

3. From its leathery exterior, the football is launched out of the gloved hands of the quarterback for the game-winning touchdown.

4. From all sides of the field, the referees run around the range as the players rush about.

5. From the bleachers, the parents eagerly desire for their kids to emerge from the intense game as victors.

6. From up above, the bright stadium lights illuminate the field.

7. From the sidelines, a coach claps when a play is well executed.

8. From nearby, the trainer prays for the players' sake that she is not required to do her job.

9. From concessions, the volunteers listen to the crowds roar, filled with envy.
